**Provide us with a user name and password according to the following guidelines:**

User names and Passwords are case sensitive.

Passwords cannot contain the user's account name or parts of the user's full name that exceed two consecutive characters.

Passwords must be at least 8 characters and include characters from at least 3 of the following 4 categories: English uppercase alphabet characters (A–Z), English lowercase alphabet characters (a–z), Base 10 digits (0–9), or Non-alphanumeric characters (for example, !,\$#,%)

User name:

Password:

### **Read and Sign the Following Terms and Conditions**

#### **1. Limitations**

User seeks access to the data described in the attached request. The County makes no warranty, expressed or implied, concerning the data's content accuracy, currency, completeness, or concerning the results to be obtained from queries or the use of the data. **ALL DATA IS EXPRESSLY PROVIDED "AS IS" AND "WITH ALL FAULTS"**. The County makes no warranty of fitness for a particular purpose, and no representation as to the quality of any data. Users of data are responsible for ensuring the accuracy, currency, and other qualities of all products (including maps, reports, displays and analysis) produced from or in connection with County's GIS data. No employee or agent of the County is authorized to waive or modify this paragraph. If a user informs others that a product is based upon County's data, the County specifically requests and directs that the user also disclose the limitations contained in this paragraph and in paragraph 3.

## **2. Data Interpretation**

County data is developed and maintained solely for County business functions, and use or interpretations of data by the User or others is solely their responsibility. The County does not provide data interpretation services.

## **3. Spatial Accuracy**

Map data can be plotted or represented at various scales other than the original source of the data. The User is responsible for adhering to industry standard mapping practices that specify that data used in a map or analysis, separately or in combination with other data, will be produced at the largest scale common to all datasets.

## **4. No County Liability**

County shall not be liable to the User (or transferees or vendees of User) for damages of any kind, including lost profits, lost savings, or any other incidental or consequential damages relating to the providing of the data or the use of it. The User shall have no remedy at law or equity against the County in the case the data provided is inaccurate, incomplete, or otherwise defective in any way. In the event the data obtained from the County is modified by the User, a third party, or any person or entity obtaining the requested data, User agrees that it proceeds at its own risk and County shall not be liable for any claims arising out of such modifications. In addition, User agrees to defend and indemnify County for any claims arising out of such modifications.

## **5. Compliance With Laws**

In order to protect the privacy of those who deal with public agencies or an independent public body corporate and politic, I hereby certify under penalty of perjury that I will not, in any form or manner prohibited by State or Federal law, distribute this data obtained from the Blaine County GIS department.

I have read the foregoing paragraph and understand that a violation of its terms could result in a civil penalty of up to one thousand dollars (\$1,000) per violation pursuant to Idaho Code Section 74-120.
