

BLAINE COUNTY BUILDING SERVICES AGRICULTURAL BUILDING SETBACK PERMIT APPLICATION

PERMIT # _____

This permit is required for agricultural buildings located in agricultural zoning districts meeting the following definition set forth in Blaine County Code, Title 7, Chapter 1: A structure designed and constructed to house farm implements, hay, grain, poultry, livestock, or other horticultural products. This structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated, or packaged, nor shall it be a place used by the public.

Agricultural buildings that do not meet the above definition or are located within residential zoning districts require building permits issued in accordance with the Blaine County Building Code. Please use the regular building permit application available from the Building Office or on-line at www.blainecounty.org.
